

REMARKS

Changes in the specification appear in the Cross-Reference to Related Applications and to correct typographical errors and misnumeration. Changes in the Detailed Description correct typographical errors and misnumeration. The claims have been amended to remove multiple dependencies. New claims have been added to more clearly define the invention.

No new matter has been added by the foregoing amendment. Applicant respectfully requests that the above-noted amendment be entered.

If there are any issues that the Commissioner thinks may be resolved by way of telephone conference or email, he is cordially invited to contact the undersigned to resolve these issues.

Respectfully submitted,
EDWARD T. MOL
